

Company charter

"Quality, Service and Loyalty"

The family footprint of Valsider SA company is crystallized through its fundamental values.

- ❖ We put all our efforts and resources in order to fulfil our customers' needs and to provide them the quality and service that meet their expectations.
- ❖ We work with a network of privileged partners, specialists in their fields with whom we forge solid links ensuring a level of service of excellence.
- ❖ Our processes and infrastructure make these interactions possible and seamless. By respecting all the laws, standards and directives in force, and by having an ethical approach to these processes, we ensure the sustainability of these relationships.
- ❖ We invest in continuous improvement and creative innovation initiatives, allowing us to be always more responsive and competitive.
- ❖ All this would not be possible without a united team who is proud to be a part of Valsider. We provide our employees with interesting and motivating work conditions and encourage proactivity, professionalism and everyone's development.
- ❖ The company's management feeds all these perspectives to be able to achieve the highest possible level of quality, service and loyalty.
